## Anti Ragging Committee Report

### ANNUAL REPORT-2018-19

To prevent the menace of ragging and maintain healthy interpersonal relations among students on the campus of Karnataka Science College, Dharwad, ragging is strictly forbidden both within and outside the college premises. For this purpose, the Anti-Ragging Committee has been actively functioning. The committee includes the honorable members as listed above.

In the academic year 2018-19, all college students, especially freshmen, were counseled by the college principal of Karnataka Science College. Information about anti-ragging was provided, and approximately 1220 students attended the counseling session. They submitted their anti-ragging forms to their class in-charge. Notably, during the academic year 2018-19, there were no reported incidents or even minor cases of ragging on campus.

I extend my gratitude to the Chairman of the Anti-Ragging Committee and all its members for their efforts in maintaining discipline on campus.
