

**KARNATAK SCIENCE COLLEGE, DHARWAD**  
**DEPARTMENT OF CRIMINOLOGY & FORENSIC SCIENCE**

**Interaction Session Report**

The Department of Criminology and Forensic Science, **under the Dr. Walter Reckless Study Circle**, organized an Interaction Session **on 2nd March 2026 at 2:30pm**, under the **presidency of Prof. M. S. Salunke**, Principal, Karnatak Science College, Dharwad.

**Mr. Gireesh Avardi**, Scene of Crime Officer, the Police Commissionerate Office, **Kalaburagi**, participated in the program as the resource person, Both B.A. and B.Sc students actively participated in the session.

**Remarks of Resource Person:**

The session focused on the topic **“Crime Scene Management.”** Mr. Avardi explained various types of crime scenes, including murder, hanging, stabbing, and suspicious deaths, with practical examples from his professional experience. He emphasized the importance of technical skills, modern investigative technologies, and conventional investigative methods in effective crime scene management. He also highlighted that every crime scene is unique and requires careful observation, analytical thinking, and patience in order to properly identify, collect, and preserve evidence.

### **Presidential Remarks**

Prof. M. S. Salunke, Principal, Karnatak Science College, Dharwad, addressed the students and encouraged them to study Crime Scene Investigation in depth. She emphasized that while learning the subject, students should also refer to the judgments of the High Courts and the Supreme Court, as well as the case histories of crimes, in order to better understand the practical and legal aspects of crime investigation.

The session concluded with a vote of thanks by Dr. Rangappa N. M., Chairman, Dr. Walter Reckless Study Circle.

**Report prepared by:** Dr. Rangappa N. M., Chairperson, Dr. Walter Reckless Study Circle, Department of Criminology and Forensic Science, Karnatak Science College, Dharwad.
